

# AU COURANT | of the moment

We are happy that Washington is opening up and it is wonderful to see our clients back in our salon! Please know our happiness is coupled with our commitment to continue to keep clients and staff safe. Our salon is vaccinated and trained on all Covid-19 sanitation procedures which we follow daily. In accordance with our industry mandates, and to protect those who are vulnerable, the following Covid-19 protocols remain in place:

---

- **Clients are required to self-screen for symptoms of Covid-19 prior to appointments**
  - **Please come to your appointment alone unless accompanying a child 16 years old or younger**
  - **Any client who presents as ill will be asked to kindly reschedule**
  - **All staff and guests are required to wear face coverings at all times**
  - **Our seating area will be reinstated, however, social distancing is still in practice**
  - **The main entrance remains the single point of entrance and exit for all**
- 

We appreciate you, your business, and your loyalty to our salon.

Thank you for your support as all of us adjust to coming out of a challenging year.
