

AU COURANT | of the moment

It is refreshing to see that Washington is healthy enough to lift the mask mandate and not require proof of vaccination. At Au Courant salon, we acknowledge these changes, however, during this transition, in an effort to continue to provide a safe and healthy environment for all, the following regulations will continue to be observed:

Vaccination Cards

While not required, we will still be asking clients their vaccination status and note their confidential profiles accordingly

Social Distancing

Will still be observed throughout the salon

Masking

Our staff will continue to wear masks during this transition
Vaccinated clients have the option to not wear a mask
Non-vaccinated clients will be required to wear a mask

Illness

Clients are asked to self-screen for COVID-19 and not come to the salon if ill. Clients will be asked to reschedule if they are ill.

We appreciate you, your business and your understanding.
We look forward to the day that we are all mask free and can move forward 100%.
Thank-you for supporting our transition efforts for the health and safety of all.
